WHO ARE WE? WE ARE ...

- **Excellent higher educational institution which is dynamically and professionally specialized**

WHAT WE DO ...

- **Maintain close cooperation with the local business entities and institutions**
- **Prepare our students for the instant start of professional careers**
- **Allow students to continue through to a Master's Degree**

- **We provide teaching and practice for about 4, 000 Full-Time and Part-Time students**

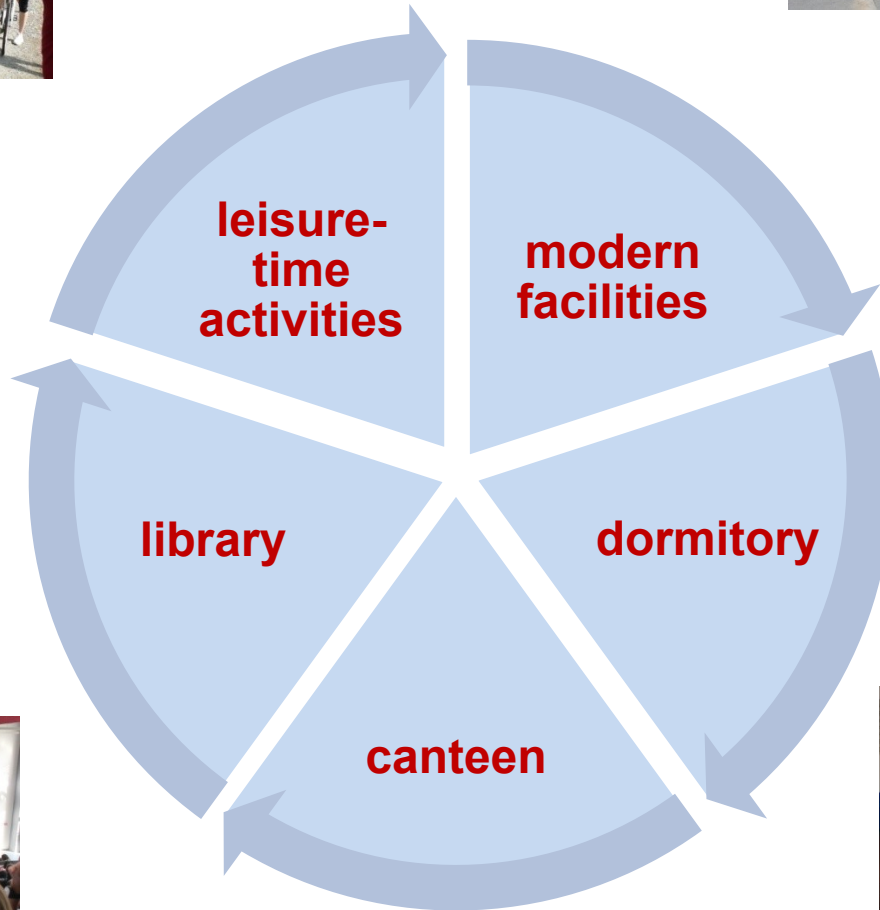

- **We also offer Study Programmes in Life-long Education**

WHY ARE THE STUDY PROGRAMMES AT VŠTE SO UNIQUE??

- Teaching, practice, research and development are interlinked
- The experts with concurrent practical experience participate in teaching
- We attempt to internationalize the study programmes
- Modern and effective techniques, methods, strategies and teaching forms are being introduced
