# City of Lahti

Lahti is a city of design and a pioneer in environmental expertise and one of the leading winter sports venues in the world. The lively cultural life and diverse ridge and lake scenery of the region makes Lahti a unique destination. Surrounded by the beautiful and unspoiled nature, it offers a stimulating and safe studying environment for both Finnish and international students.

Population over  
**120.000**

The **8**<sup>th</sup>  
biggest city in Finland

**CIRCULAR ECONOMY AND  
RESOURCE EFFICIENCY  
17-22 February 2019  
Lahti, Finland**

**Lahti University of Applied Sciences  
International Winter School 2019**

A winter landscape featuring snow-covered evergreen trees under a clear blue sky with a bright sun. The trees are heavily laden with snow, creating a serene and picturesque scene. The sun is positioned in the upper left quadrant, casting a soft glow over the landscape. The overall atmosphere is peaceful and inviting.

# NATURE

*Unforgettable experiences*

*Share the joy*

# KNOWLEDGE

*The first steps to success*

# ADVENTURE

*Just try it*

# WHAT IS OUR WINTER SCHOOL ABOUT?

- Aimed for students interested in environmental issues with either a technological, a marketing or a business background, who are particularly interested in how to combine new thinking and concepts with the urban sustainability.
- The main themes are **CIRCULAR ECONOMY AND RESOURCE EFFICIENCY.**
- The one-week study programme consists of workshops, excursions and lectures. The social programme offers the opportunity to experience Finnish winter and culture with activities, such as sauna bathing and ice fishing.

# JOIN THE INTERNATIONAL GROUP IN WINTER FINLAND!

- The group size will be about 50 students who come from 8-10 different countries.

## CREDITS

- Assessment criteria: preliminary work in national teams, project work during the course in international teams, active participation in lectures, company visits and team work.
- Completing the whole programme, preparatory work + presentation gives 5 ECTS. More detailed info about preparatory work will be sent to the participants after registration.

# EXPENSES & REGISTRATION

- **ACCOMMODATION FEE 295 € /student.**
- The fee includes accommodation at the hotel situated in the city center in double rooms, breakfasts + one dinner and transportation to the site visits.
- Other meals and travel to and from Lahti will be arranged and covered by participants.
- **NOTE: Arrival day Saturday 16 Feb.** Full programme starts on Sunday morning 17 Feb. Programme ends on Friday 22 Feb at 2 p.m.
- Registration deadline **8th December 2018**
- Registration and payment information will be sent to the local coordinators in October 2018.

# Everything at the new campus in 2018

## NiemiCampus

The most modern higher education institute in Europe will be constructed in Lahti and LAMK will move into the premises in the summer of 2018!
