Article Title: GENDER-DIFFERENCE PERCEPTION OF URAN PUBLIC SPACES

Section: 27. Green Design and Sustainable Architecture

Auth Name: PhD Michal Kraus / SWS ID 31174

Art ID: 31174210491

University: The Institute of Technology and Business in Ceske Budejovice , Czech Republic

Email: 19514@mail.vstecb.cz

AMMS ABSTRACT PEER REVIEW RESULTS / Type: Double Blind

Relevance to the Conference: 5 - Excellent

Contribution to the Academic Debate: 3 - Good

Formulation of the Scientific Research Problem Aim and Tasks: 4 - Very Good

Appropriateness of the Research Study Method: 4 - Very Good

Standard of English: 4 - Very Good

Use and Number of Keywords Key Phrases: 3 - Good

Section of the Paper Is Properly Chosen: Yes

Overall Abstract Impression: 4 - Very Good

Should this Abstract be accepted: Yes - no changes

Abstract Review Comments /if any/:

Distributed: 12.10.2021 r.

To whom it may concern, this letter is to verify the acceptance of this article abstract

Based on the upper mentioned results, the Review Committee concluded that the proposed theme in this abstract is in the scope of the scientific conference and will be of a great interest to the conference participants and delegates.

Therefore, the representative author is kindly invited by the SWS Scientific Committee to prepare and submit the full manuscript of the article via the conference web site in due time. Completion of the registration and submitting the full manuscript on schedule, will be highly appreciated.

As a part of the publication requirements, it is mandatory the representative author to present this article on the spot or virtual, and lead subsequent technical discussions in respect with the plenary programme.

NOTE: This Confirmation Letter is to be presented to the respective academic leadership!
THIS CONFIRMATION LETTER DOES NOT GUARANTEE THE PUBLISHING OF THE FULL ARTICLE INTO THE SWS CONFERENCE PROCEEDINGS, in case of: missed oral/poster presentation, missed full paper submission deadline, missed payment deadline, ignored Review Committee requirements or other irregularity.
