Cultural services

Public cultural services are services consisting in making the artistic creation and cultural heritage available to the public and in the acquisition, processing, protection, preservation and disclosure of information that serves the cultural, cultural-upbringing or cultural-educational needs to the public.

Three experimental programs were created by the European Commission for cultural cooperation between Member States:

- Kaleidoscope,
- Raphael,
- Ariane.

Cultural policy instruments:

- Legislative,
- Economic,
- Institutional,
- Managing,
- Methodical.

State administration:

State administration at the central level is carried out by the Ministry of Culture of the Czech Republic, which includes following fields:

- art,
- cultural and educational activities and monuments,
- churches and religious societies,
- printing,
- implementing the Copyright Act,
- and other.

Health services

In the Czech Republic, health services are regulated by Act No. 372/2011 Coll. On health services and the conditions for their providing.

Health services are understood as:

- a)* providing the health care by healthcare professionals,
- b)* consultation services to assess the individual treatment process,
- c)* handling the deceased's body, including transferring the deceased's body to a pathological-anatomical autopsy,
- d)* medical rescue service,
- e)* medical transport service,
- f)* transportation of emergency care patients.
